Food Donation Guidelines during COVID-19

Sierra Community House relies on the community to help collect food to support our mission. **Due to an abundance of caution, at this time only donations of the following are accepted:**

- **Pasta**
- **Beans**
- **Rice**

Additionally, items must meet the following requirements:

- Unopened
- No bulk items
 - Single or family sized portions only, max 2 lbs.
- Must not be expired, past the “best by” or “sell by” dates

If you would like to make a donation, please call 775-545-4083 or email lhowe@sierracommunityhouse.org to make an appointment to bring your food by our warehouse. We are located at the Tahoe Truckee Airport at 12116 Chandelle Way, #D2, Truckee, CA 96161 in between Tahoe Food Hub and Roundhouse.

Thank you for your support!
