

ORDERING TAKEOUT IN TRUCKEE? CHOOSE REFILLS OVER LANDFILLS.

Truckee food vendors are required to charge a 25¢ fee for each disposable cup and container provided with to-go meals, starting January 1, 2024. Avoid fees and reduce waste: use a reusable green box!

I'm a reusable green box. Please return me here when done!

HOW IT WORKS

- 1** When placing your to-go order, request your meal in a "reusable green box".
- 2** Bring this green box with you to pick up your to-go order. You can also use it to take home leftovers if dining on-site.
- 3** Exchange your empty green box for your meal provided in a new green box.
- 4** When done, wash your box and return it to this lodging property.
- 5** Give yourself a high five, you just saved waste from landfills!

ACCEPTED AT ANY PARTICIPATING RESTAURANT!
